

REMARKS/ARGUMENTS

In response to the Office Action dated August 16, 2010, Applicants propose to amend their application and request reconsideration in view of the proposed Amendment and following remarks. In this Amendment it is proposed to cancel claims 1 and 18 so that, upon entry of this Amendment, claims 11, 13, 16, 19, 24, 25, and 27 will be pending.

Claims 24, 25, and 27 are allowed.

Although examined claims 1 and 18 were rejected over prior art, all of the other remaining pending claims, namely claims 11, 13, 16, and 19, were stated to be allowable if rewritten in independent form. In this Amendment it is proposed to rewrite claims 11 and 19 in independent form. Claims 13 and 16 depend from claim 11. In rewriting the claims in independent form, minor non-substantive amendments have been made in the limitations of claim 1 that are incorporated into claims 11 and 19. Two commas are added for clarity, a preposition is inserted where it was previously inadvertently omitted, the word "installed" is changed to the word "located" for clarity, at a single location the word "and" is changed to "wherein" for clarity, and a "the" is changed to "a" to avoid an antecedent basis issue.

In view of the concession that the claims now pending are either allowed or allowable, the foregoing Amendment places the application in form for allowance.

Therefore, entry of the Amendment and issuance of a Notice of Allowance are appropriate and earnestly solicited.

Respectfully submitted,
